

THE ANGELIC STAR™ PENDANT

Combining the metaphysical principles with the wisdom principles of the Cosmos, the Angelic Star™ is a new tool for spiritual growth and understanding. The multidimensional design of the Angelic Star™ naturally creates new patterns of energy flow and relationship, allowing one to see a complete image of yourself (Your Starseed, the Original Blueprint) and the world around you. It is an opening through which we can connect ourselves with undiscovered worlds and experiences. The Angelic Star™ is a source of Divine Light and can therefore be used as a battery of universal energy which is easily accessible at any time for any purpose. The Angelic Star™ can also be utilized in therapeutic ventures to promote full understanding of issues brought into awareness through the process of discovering your Original Blueprint.

Accessing the Eternal

Since time immemorial, mankind has dreamed of reaching the stars, of contacting other beings. The Angelic Star™ is a tool for manifesting this very dream. Bringing Divine Awareness into everyday life, this cut of quartz is designed to access the wisdom of the ages. The Angelic Star™ provides a key to healing, insight, manifestation and meditation. It provides a deep guidance through which one can access insights from the Angelic Realms and allows this to pass completely into one's conscious mind.

By placing your request into the Nexus, or center of the star, one can enter into it's timelessness and awaken your inherent knowledge and power to transform your request into it's highest potential.

Wearing an Angelic Star™ over the Thymus gland allows for the restructuring of the energetic bodies to align with the higher level growth patterns contained within your Starseed or Original Blueprint, thus releasing vast amounts of forgotten knowledge encoded within your spiritual structure.
