

## THE MAGICIAN STONE™ PENDANT

### The Magician Stone™

The Magician Stone™ is a beautiful multi-faceted star, showing four-fold symmetry. The numerous facets create an energetic template establishing numerous energy channels that connect the wearer to Source, to the Earth, and to each of the four directions.

Once these connections are established and strengthened, it teaches us how to center ourselves in our most beneficial position. Indeed it positions us in the Cosmic Flow of energy that brings magic to life, an excellent tool for learning how to co-create in the best way. Wearing this stone brings both extraordinary luck and abundance.

The Magician Stone™ is available in:

Amethyst, Angel Aura, Aqua Aura, Citrine, Clear Quartz, Merlin Mist, Rose Quartz, Ruby Lavender Quartz™, Siberian Blue Quartz, Siberian Gold Quartz, Siberian Green Quartz, Siberian Purple Quartz, and Tanzine Aura.

Your choice of Sterling Silver or 14K Gold mountings (18" chain included).

## Clearing & Programming Your Magician Stone™ (THE VOGEL TECHNIQUE)

**CLEARING YOUR CRYSTAL:** Take a moment and bring into your being the essence of purity - both the thought and the feeling of purity. Once the connection with this essence is strong, fill your lungs with it. Hold your breath and let the essence build. Place your attention upon the crystal. Use your intention to place the essence of purity into the crystal as you release a FORCED EXHALE through the nose. This forced exhale allows the essence to move as a whole thought form into the crystal. If you see a residue, shadow or unpleasant energy still remaining, repeat the procedure until your crystal is clear.

**PROGRAMMING YOUR CRYSTAL:** After clearing your crystal it is now ready to program. We recommend using a simple program such as PEACE, WELL-BEING & LOVE. Focus on bringing the essence of peace into your being. Allow this essence to fill you and build in your lungs. Now bring in the essence of Well-Being (yourself in perfect health, connected with the Earth and the Divine). Again, fill yourself and allow this essence to build in your lungs - mingling with the essence of Peace. Now bring in the essence of Pure Love. Fill yourself with this essence. Place your attention on the crystal and use a FORCED EXHALE through the nose to intend those essences (your program) into your crystal.
